ElderHelp of San Diego is a vital community resource that helps seniors live with dignity in their homes, and achieve an improved quality of life. ElderHelp's Holiday Angels is your opportunity to make a difference in the lives of seniors who live in our community to ensure that they feel remembered and cherished during the holidays. Teaming up with friends at UPS and other local companies, ElderHelp delivers holiday cheer to over 450 San Diego seniors who are alone and isolated during the holidays.

With your support, each senior will receive a lovely poinsettia and gift card to help them stretch their limited budgets. Please consider making a contribution to Holiday Angels by December 1, 2016* to make the holidays special for our seniors. Your support in the form of gift cards goes directly to help them purchase groceries, medications, clothing, and basic home items.

This gift is often the only gift our seniors receive. Help us brighten the life of a senior!

- Purchase gift cards in increments of \$25 (Target, Walmart, MasterCard or Visa gift cards preferred)
- Make a cash donation by mail or online at www.holidayangelsd.com and we will purchase gift cards for seniors on your behalf.
- Start a gift card drive at work.** Collect gift cards from friends, clubs or groups seeking opportunities to help someone in need this holiday season.

**Contributions can be mailed or delivered to
