

Dear HomeShare Seeker Applicant,

Thank you for your interest in ElderHelp's HomeShare Program. The purpose of the program is to help older adults remain independent in their homes by matching them with people looking for housing. It is an opportunity for individuals seeking housing to lower their housing costs while helping out an older adult.

In order to begin the process, you will be asked to complete the **"Seeker Screening Form"** and provide a copy of a valid photo I.D., such as your driver's license. Return your application using one of the following options:

1. Mail or drop off at the nearest HomeShare office:
 - a. 3860 Calle Fortunada #101, San Diego, CA 92123
 - b. 13094 Civic Center Dr., Poway, CA 92064
2. Fax to 619-284-0214

Upon receipt, we will review your application for eligibility and suitability for the HomeShare Program. After we have reviewed your application, we will send a letter updating you on the status of your application. For that reason, *it is vital that you have a valid mailing address and telephone number so that we are able to contact you.*

Please note that if you are accepted into the program, finding a suitable match may take time, and is not guaranteed. We strongly encourage you to pursue other housing options in addition to the HomeShare Program.

For any inquiries about the program and the process, **please read the entire "Seeker Orientation Packet" before you contact us.** The information you are looking for may be included in the packet. If you still have questions once you've read the *entire packet*, please call 619-284-9281.

If you are in immediate need of shelter, please call 2-1-1 San Diego or the County of San Diego (800-510-2020) for information about shelters, transitional housing, low rent and subsidized senior apartments.

Sincerely,

ElderHelp's HomeShare Team

HomeShare: *Frequently Asked Questions*

How long does the enrollment process take? Following your interview, it usually takes about 10-12 business days to complete the process. The timing varies greatly depending on how long it takes to get back reference, physician and background checks. Please let your references and doctor know that we'll be contacting them regarding your application with the HomeShare Program.

How long will it take to find me housing once I am enrolled? Once you are enrolled and begin connecting with available home providers (potential roommates), you may find housing as quickly as the same week you meet. Some people match quickly, and sometimes it takes a few weeks or months. Others never find the right situation within the program. It all depends on you, your specific needs and preferences, as well as the availability of home providers who fit your criteria.

Do you have a lot of people who are looking for a housemate? We receive over 150 inquiries each month from people interested in learning more about shared housing. Your special needs and preferences will determine whether or not you are a good fit for available home providers.

How much rent will I have to pay? The average rent at this time is about \$650/month, and you may be asked to pay a security deposit, share utilities and/or cable and internet services. Rents and other charges are usually negotiable between the parties. We can help to facilitate these conversations.

How long does a match usually last? The average length of a match is about 2 years. Some matches last longer, and some may end sooner. Although there is no set rule, HomeShare is meant to provide permanent housing lasting over 1 year. Our longest match lasted nearly 13 years.

Can I get a rent free room? Rent free rooms are sometimes available; however, it is likely that you will be asked to pay some rent, even if you are providing services. There is a high demand for rent free rooms, and availability is determined by the personal preference of the home provider.

What kinds of services do people usually ask for? Services such as housekeeping, meal preparation, transportation, companionship, and light yard work are the most commonly asked for. HomeShare is not a caregiving service and you should not be asked to (or provide) hands on care of any kind.

What if the match doesn't work out? Can you find me another place? You are encouraged to choose carefully and follow our guidelines to help ensure a successful match. However, re-matching is an option if you're in good standing with the program, and another suitable match exists.

Can I bring my pet? You may bring your pet along with you as long as the home provider agrees to allow pets.
